

# Changes to the Plant Parameters

November 5, 2012  
Tokyo Electric Power Company

## ■ 2012 | Archives <http://www.tepco.co.jp/en/nu/fukushima-np/f1/pla/2012/index-e.html>

The following data posted on March 15, 2012 or earlier has been replaced with a revised version according to the additions and corrections made to the parameters related to the plants in the past.

- CSV of “Parameters related to water level and pressure (CSV, PDF)” ([Unit 1](#) / [Unit 2](#) / [Unit 3](#)) → [List of changes](#)
- CSV of “Parameters related to temperature (CSV, PDF)” ([Unit 1](#) / [Unit 2](#) / [Unit 3](#)) → [List of changes](#)

## ■ 2011 | Archives <http://www.tepco.co.jp/en/nu/fukushima-np/f1/pla/2011/index-e.html>

The wide/narrow PDF ([Unit 2/Unit 3](#)) of “Parameters related to water level and pressure (CSV, PDF)” on June 13, 2011 has been replaced according to the additions and corrections made to the parameters related to the plants in the past.

## ■ Change history, etc. <http://www.tepco.co.jp/en/nu/fukushima-np/f1/pla/index-e.html>

“[Plant Data of Fukushima Daiichi Nuclear Power Station at the time of the Tohoku-Chihou-Taiheiyou-Oki Earthquake](#)”, a document posted on June 13, 2011, has been replaced in order to match the reactor injection data and its period with those of “7. Compilation of operation records”.

- [Volume of water injected into the reactor of Units 1-3 of Fukushima Daiichi Nuclear Power Station \(up until May 16, 2011\)](#)
- [Additional data of the fire fighting pump flowmeter during the measurement period of the Accident Management Panel. \(Sep 9, 2011\)](#)
