

(Announcement)

Confirming the integrity of Kashiwazaki-Kariwa Nuclear Power Station Unit 6

October 28, 2025

Tokyo Electric Power Company Holdings, Inc.

Kashiwazaki-Kariwa Nuclear Power Station

A full round of integrity checks after fuel loading of Unit 6 was completed at 9:49 a.m. on October 28, 2025 and we have confirmed that primary facilities can sufficiently perform the functions required for reactor startup.

This marks the technical preparations for startup fulfilled.

We will continue to carefully maintain and manage facilities through daily maintenance making sure to pause if any malfunctions or issues are noticed, and then will respond to each and every issue while prioritizing safety.
