

Release of “TEPCO Integrated Report 2025”

November 20, 2025

Tokyo Electric Power Company Holdings, Inc.

Today, Tokyo Electric Power Company Holdings, Inc. released the “TEPCO Integrated Report 2025.”

The TEPCO Integrated Report has been issued annually as a communication tool for stakeholders, including shareholders and institutional investors, providing an overview of the TEPCO Group’s current business and its medium- to long-term outlook.

This year’s report is structured around four key issues (materialities) identified by the TEPCO Group: Promoting revitalization & decommissioning, GX (Green transformation) for sustainability, Reforming into a trusted nuclear power utility, and Strengthening our business foundation. Both financial and non-financial information are presented clearly based on integrated thinking.

Through this report and enhanced information disclosure, the TEPCO Group aims to deepen and strengthen engagement with stakeholders, while further improving corporate value and creating social value.
