Release of “TEPCO Integrated Report 2026”

November 13, 2026
Tokyo Electric Power Company Holdings, Inc.

Today, Tokyo Electric Power Company Holdings, Inc. released the “TEPCO Integrated Report 2026.”

The TEPCO Integrated Report has been issued annually as a communication tool for stakeholders, including shareholders and institutional investors, providing an overview of the TEPCO Group’s current business and its medium- to long-term outlook.

This year’s report is structured around three key issues (materialities) identified by the TEPCO Group: Promoting Revitalization & Decommissioning, GX (Green transformation) for Sustainability, Strengthening Our Business Foundations. Both financial and non-financial information are presented clearly based on integrated thinking.

Through this report and enhanced information disclosure, the TEPCO Group aims to deepen and strengthen engagement with stakeholders, while further improving corporate value and creating social value.
