

**Guidelines for the Submission of Public Comments
for the “Radiological Impact Assessment Report Regarding the Discharge of ALPS
Treated Water into the Sea (Design stage)”**

November 17 2021

Tokyo Electric Power Company Holdings, Inc.

TEPCO would like to receive and gather public comments in regard to the “Radiological Impact Assessment Report Regarding the Discharge of ALPS Treated Water into the Sea (Design stage)”, which was made available to the public today. TEPCO welcomes comments and will take them into consideration prior to issuing future revision of Radiological Impact Assessment Report. The guidelines for submitting comments are as follows:

1. Submission Period

One month from 0:00 AM, November 18, 2021 (Japan Standard Time) to 0:00 AM, December 18, 2021 (Japan Standard Time)

2. Comments Sought

TEPCO wish to gather public comments with a view to improving the quality of the “Radiological Impact Assessment Report Regarding the Discharge of ALPS Treated Water into the Sea (Design stage)” in light of the Basic Policy on Handling of the ALPS Treated Water at the Tokyo Electric Power Company Holdings’ Fukushima Daiichi Nuclear Power Station (announced on April 13, 2021 at the Japanese Government’s Inter-Ministerial Council for Contaminated Water, Treated Water and Decommissioning Issues).

3. Method of Submission

Please fill in the submission form on the TEPCO website at

<https://www4.tepco.co.jp/en/hd/decommission/information/newsrelease/inquiry.html>

*Other methods (ex, telephone, postal mail, fax, email, SNS, etc.) are not acceptable

4. Languages

Comments must be written in Japanese or English.

5. Necessary Information

Please fill out the following information on the submission form (Items marked with ☆ are mandatory.)

☆Name (Please fill in the name of your organization's representative if submitting on behalf of an organization)

☆Affiliation (Please write "Individual" if submitting as an individual)

☆Section Nos. and Page Nos. on which you would like to comment.

☆Comments

6. Supplementary information

(1) Submitted comments will be compiled into topics by TEPCO, and then, responses to those comments, and actions to be taken based on the said comments will be announced publicly. Please note that TEPCO cannot respond to comments individually. In case any information that could be used to identify individuals, or that infringes upon the property rights of an individual and a corporation may be included in the publicly releasing opinions, TEPCO will redact them.

(2) The information mentioned in (1) above may be used in the course of future reviews by the IAEA on ALPS treated water and at public meetings in which TEPCO participates.

(3) Personal information contained in the submission forms, such as names and affiliations, will be kept confidential and used only for duties pertaining to the gathering of opinions.
