

Support Activities for Fukushima

We sincerely apologize people around the nuclear power station for the inconvenience and anxiety caused by the accident of Fukushima Daiichi Nuclear Power Station and Fukushima Daini Nuclear Power Station.

After the earthquake, we have supported people around the nuclear power station in various ways. The following ways are some examples.

1. Physical support activities

After the earthquake on March 10, we sent workers and they explain the situation of power plants at disaster countermeasures office of local agencies and shelters around the Fukushima Daiichi Nuclear Power Station. Also, we sent workers to shelters in supply areas and Kashiwazaki-Kariwa area to help.

<From March 11 to July 10, the total number is approx. 16,200MD>

2. Delivering Goods

Since March 13, employees at the power stations and others ask local agencies about necessary goods in temporary shelters such as foods, drinks, commodities and medicine. And the employees deliver them in a timely manner.

3. Purchase of farm products from Fukushima

-We actively purchase farm products from Fukushima Prefecture for our company's cafeterias and dormitories. (Purchased since March 28)

-We publish the information on events which Fukushima products are sold around Tokyo Metropolitan area on the official website and intranet.

4. Providing of temporary shelter

-Company houses in Niigata, Yamanashi, Chiba and Saitama are provided to evacuated people through local agencies.

-In addition, as for the organization structure, in order to strengthen the comprehensive administrative support function, "Fukushima Nuclear Influence Response Division" was established on March 31, 2011.
