

Change of Fukuichi Live Camera Location at Fukushima Daiichi Nuclear Power Station

Fukuichi Live Camera currently installed near the Administration Office Building at Fukushima Daiichi Nuclear Station has been offering real-time images of mainly Unit 1 and 2 since May 31, 2011. In response to the request from viewers and considering the progress of the cover installation for fuel removal at Unit 4, the camera location will be moved to near the Waste Sludge Temporary Storage Facility (on Unit 4 side). Starting from 11:00 AM on August 1 (planned)*, real-time images of Unit 4 side of the station will be provided.

* Images will be unavailable for **about an hour from 10:00 AM to 11:00 AM on August 1** due to the switching.
