

# Weekly Rolling Blackout Tentative Plan from Mar 28 (Mon) to April 3 (Sun)

\*1 We will inform whether the blackout is implemented from 3:20 pm to 7:00 pm and from 6:20 pm to 10:00 pm on March 28 (Mon) at least two hours before the start of the blackout based on the power demand.

\*2 In case the power supply-demand balance becomes critical due to increasing demand, additional rolling blackouts may be carried out for the groups in the first and second time slots of the day. The time slots will be respectively from 1:50 pm to 5:30 pm and from 4:50 pm to 8:30 pm.
